

Homework

Econometric Methods

Fall 2003

Instructions

Using the data provided on the website (<http://ladkins.bus.okstate.edu>) and the Eviews software, answer each of the following. The data file is called football.dat. The assignment is due on Thursday, 9 October.

Problems

1. Do parts (a), (b), and (d) of exercise 5.17 in your textbook. Hint: Part (b) implies that you do a formal hypothesis test of this proposition.
